- 10 **REMARKS & RECOMMENDATIONS**
- A recommendation by the participating coaches had been made if for the next season the MNCAA could follow the FIFA system of stop time whenever the ball goes out of play for the whole duration of the match.
- PROS : This will familiarize our player with the international system of play.
- CONS : This will mean an allocation of added time to each match by 45 minutes.
- Since the match will be around 1-1/2 hour, the cost for officials will also have to be increased.
